Yvonne W. Rosmarin declares under penalty of perjury, as provided for by the laws of the United States, 28 U.S.C. §1746, that the time records attached hereto as Exhibit 1 and incorporated herein are the actual additional time spent working on this case, less time that I have, in the exercise of billing judgment, deducted to account for any duplication of efforts, inefficiency and/or billing errors. These records were contemporaneously kept and generated using Timeslips software, a computerized time and billing program and do not include non-legal tasks, such as filing and copying. The attorney's fees requested herein are reasonable and were necessary to litigation in this matter.
